*“What a difference a day makes...”*

## **CREATE YOUR OWN UNIQUE PIECE OF MODERN ART**

If you think that getting involved in modern art means endless hours of roaming through the elitist halls of faceless art galleries then think again...

I'm bringing the excitement and expression of the artist out from the canvas and into your hands. Now you don't have to be a spectator anymore—now you can do this for real.

ONE DAY PAINTING EXPERIENCES WITH ME ARE AVAILABLE NOW

## **TREAT YOURSELF—YOU DESERVE THIS**

Take yourself on an unforgettable journey—a once-in-a-lifetime experience by being a proper artist for a day. Paint in a working artist's studio using exotic paints and tools, learn new techniques about colour and application and feel what it's like to really go for it!

## **GO MAD, GO WILD, THROW PAINT, HAVE FUN**

You CAN do this. You can actually create your own art with the colours and shapes that you really want—I'll show you how. And unlike many other 'experiences' you can buy this one has something to show for it at the end—your own piece of art, delivered by me (when it's dry) to any UK mainland address\* about a week or so later.

## **ONE-DAY EXPERIENCES FROM £295**

*\*available on Silver and Gold packages*

## ABSOLUTLEY NO EXPERIENCE NECESSARY!

The hardest thing of all with my painting days is deciding to do it in the first place. The type of painting you will be doing is all about expressing yourself, letting go and doing something unique to you. Don't panic—I'll give you everything you need to produce something extraordinary.

## “IT’S GOING TO LOOK TERRIBLE RIGHT?”

**WRONG!** Don't think about what it's going to look like or have doubts on your own ability. We will be splash, drip and throw painting so form, perspective and realism go straight through the window! I don't do rules I just paint. It is just you, me, a big sheet of canvas and all the paint you could ever possibly want. Oh and cake and coffee of course...
